To celebrate.

And only if it's ok with you.

People who work or volunteer for the club should not:

Send you private messages.

Ask you to buy them things.

Touch you sexually or in a way you do not like.

Make you change or shower if you don't want to. And they must not watch you change or shower.

Ask you for or take photos of you that make you feel uncomfortable or frightened.

Leave you out of things.

Ask you to keep secrets.

If these things happen to you or another adult or if anything else happens to you that makes you feel upset, worried, left out, frightened or hurt.

We will help you to be involved in the process as much as you need or want to be.
